

Next-Generation Managed Security Services

COMPREHENSIVE. INTELLIGENT. ALWAYS-ON.

Traditional Security Isn't Enough

- 74% of organizations experienced a business data incident in the past year.
- Companies with 16+ security tools face 2.8x more incidents than those with fewer.
- Over 90% of cybersecurity incidents are caused by human error.

Today's Threats Are Relentless. Your Security Should Be, Too.

Trofeo provides enterprise-grade protection tailored to meet your requirements and regulatory commitments.

✓ One Partner. One Platform.

Meet all your security needs—SIEM, SOC, EDR, MDR, XDR, firewall, email, and data protection with one service.

✓ Microsoft + Palo Alto Expertise.

Leverage a Certified Microsoft Solutions Partner in Security and best-in-class tools backed by Gartner leadership rankings.

✓ Always on, Always Human.

Protect your organization 24/7 with a dedicated SOC team combining AI-powered detection with human judgment.

✓ Built for Fast-Growing Businesses.

Tailor your security strategy to your unique goals, industry risks, compliance needs, and resource constraints.

Trofeo is a certified Microsoft Solutions Partner in Security, specializing in configuring, optimizing, and managing Microsoft's best-in-class security solutions.

Best-in-Class Technology + Real Human Expertise

— WHAT WE DO

Microsoft Sentinel SIEM + SOC

AI-powered tools and our 10-person SOC team monitor, detect, and respond to threats in real time.

Microsoft Defender EDR + MDR + XDR

Enterprise-grade protection across endpoints, identities, email, and cloud apps stops advanced threats.

Palo Alto | Next-Generation Firewall (NGFW)

Advanced machine learning and AI-powered threat prevention block even the most evasive malware.

Microsoft Purview Data Governance and Compliance

One unified platform maps, classifies, and protects sensitive information across your entire data environment.

Evolving Threats Demand Trofeo Solutions

- 24/7/365 Protection
- Integrated Defense
- Comprehensive Coverage
- Tailored Strategies
- Hands-on Expertise

Don't wait. Protect your business today.
